FROM the age of twelve a girl needs all the care the thoughtful mother can give. Many a woman has suffered years

of pain and misery—the victim of thoughtlessness or ignorance of the mother who should have guided her during this time.

If she complains of headaches, pains in the back and lower limbs, or if you notice a slowness of thought, nervousness or irritability on the part of your daughter make life easier for her.

Lydia E. Pinkham's Vegetable Compound is especially adapted for such conditions. It can be taken in safety by any woman,
